**** Special notes****

It is still very important to us here at PDO that everyone stays healthy. We ask that masks be worn at anytime you are not eating/drinking and you are away from your "parking spot".

On the day of the event children will still be dropped off at their normal times. Children that do not attend on Thursday's are absolutely welcome to participate. They must be dropped off by 11:00. Children in Miss Genna & Miss Stephanie's classes must be picked up by 11, but please feel free to stay and participate in the fun!

Please communicate with you children's teachers on your plans to attend/not attend .
