### This Month's Learning & Activities

I am in disbelief that it is already the last month of school! The children have all grown so much this year, and so has our program. The last day of school is always bittersweet, but I'm looking forward to the amazing things we have planned throughout the summer and next fall!

The support we have received from our community has been outstanding, and we truly could not have achieved so much without all of your love and devotion to helping us here at PDO! This year has been amazing, and I'm confident that even greater things are on the horizon for all of our students and our program. I want to give a special THANK YOU to everyone that has contributed to the Playground fund! As of April 27th we have raised \$1,245. Donations will be accepted until construction on the playground begins.

During this last month of school, we will be exploring our ocean unit and revisiting our favorite children's stories. The last two weeks of school will be devoted to all things summer and preparing for our end of year celebration!
