## Trinity Lutheran PDO

### This Month's Learning & Activities

Thank goodness for the extra day in February this year, because we sure have a lot planned at PDO this month! Our dental health unit is crossing over from the end of January into February. Children will do fun crafts and activities demonstrating the importance of good dental hygiene. We also had a special speaker come in to chat with the kiddos about dental health and being a dentist. (Thank you, Dr. Guilfoyl!)

The following week is our "Everyone is Special" unit. The children will learn about how everyone is different, but equally special, and the importance of diversity in our communities.

Our Valentine's day celebrations will be the entire week of Valentine's day. The children will take turns exchanging valentines all week so everyone can participate in the fun regardless of which days they attend. Cards and goodies will be sent home on your child's last day of the week. Please check your child's class dojo for more information from their teacher regarding Valentine's day celebrations and any requested supplies.

The month will wrap up with our Dinosaur unit and our first week of Seussical celebrations for our Dr. Seuss unit that will roll over into March.

With Love & Gratitude,

Miss Erika
