### This Month's Learning & Activities

Spring is in the air, and we are ready to kick off another great month here at PDO! The themes we will be exploring for the next four weeks are: Spring, Occupations, Earth Day/Recycling, and Rainforest & Jungle friends.

We will learn all about the changes of the season during our Spring unit. The children will participate in adorable crafts, lots of outside exploration, and hopefully plant a seed or two.

During Occupations week, the children will learn about all of the different jobs found in our community through reading, crafts, and imaginative play. If you or someone in your family has a job that you would like to share with the kiddo's, please feel free to send in pictures or materials for your child to share with their classmates during learning time.

For our Earth day and Rainforest units, we will be focusing on all the things we can do to keep our planet and all of God's creatures healthy. Recycling, picking up litter, and gardening will all be featured during these weeks along with learning about animal friends from other parts of the world.

April is going to be a jam packed month, and we're so excited to share the time with all our little friends here at PDO!
