This Month's Learning & Activities

We sure have a lot planned at PDO this month! The month will kick off with our Dental Health unit. Children will do fun crafts and activities demonstrating the importance of good dental hygiene. We will also throw in a craft or two for Groundhog day during the first week of February, as well.

Our Valentine's Day celebrations will be the entire week of Valentine's day. The children will take turns exchanging valentines all week, so everyone can participate in the fun regardless of which days they attend. Cards and goodies will be sent home on your child's last day of the week. Please check your child's class dojo for more information from their teacher regarding Valentine's day celebrations and any requested supplies.

The following week is our "Everyone is Special" unit. The children will learn about how everyone is different, but equally special, and the importance of diversity in our communities.

During the last week of the month, we will discuss all the changes of all four seasons. Lots of fun crafts, activities, observations and discussions are sure to take place.

With Love & Gratitude,

Miss Erika
