

TRINITY LUTHERAN PARENTS' DAY OUT

OCTOBER
2025

LEARNING & ACTIVITIES

Happy Autumn, PDO Friends & Families! This month we have lots of fun planned. Our weekly themes will be Fire Safety, Superhero's, Outer Space, Pumpkins, and, of course, Halloween!

During our Fire Safety week, we will be discussing how to stay safe in the event of a fire, how to avoid dangerous fire related situations, practicing STOP, DROP, & ROLL, and staff and students will even participate in a fire drill and see a real fire truck when Kirkwood fire department visits us!

Super Hero week will be a week full of fun and imagination. We will discuss and explore both fictional and real life super hero's and how we can act as super hero's within our own communities. Outer Space week will be an exploration of all things related to the solar system. We will discuss the sky, planets, stars, moons, and the sun. It's sure to be out of this world!

Pumpkin week will be a fun time for some sensory exploration, learning about the pumpkins growth cycle, and of course decorating our class pumpkins for our annual pumpkin competition.

Halloween week is always a highly anticipated time around PDO. This year our celebrations will be 10/30 & 10/31. Classes will participate in fun, games, music, crafts, special treats, and more. Children are invited to wear costumes both days to participate in our annual Halloween Parades to visit Miss Brenda, our church administrator. Even if your child does not attend on the party days, we will be sure each child gets a special treat to bring home from PDO. Parents are invited to send in small treats/trinkets for your child to share with their classmates. Check your class Dojo for more information from your child's teacher.
